

# GROUP DISCUSSION QUESTIONS

1. What role does the public library play in your community?
2. What makes it distinct from other places?
3. Beyond the items you can borrow from a library, what else does a public library provide?
4. What spaces are comparable to a public library? What makes them different?
5. Who does the public library serve?
6. Are there things you cannot do at a public library (beyond the things you wouldn't do in any space, of course!)?
